Lynn Barr is a recognized leader in the movement to transform and improve our nation’s health care systems. While working at a rural hospital as Chief Information Officer, Lynn organized the National Rural Accountable Care Consortium to overcome barriers for rural health providers so they could participate in innovative payment models under health care reform. In 2014 Caravan Health was formed to provide turn-key services to providers interested in population health programs in Practice Transformation Networks, Medicare and Commercial Accountable Care Organizations, MACRA, Comprehensive Primary Care, and other payment models. As Chief Executive Officer of Caravan Health, Ms. Barr has lead the development and execution of nationwide programs that bring better care to patients and help health care providers achieve financial success. Caravan Health supports more than 13,000 primary care providers and 250 community hospitals making the transformation to value-based payments, with affordable, simple solutions that achieve outstanding results.
