

Steven Tringale

**Estes Park Institute Senior Fellow
Strategic Planning, Public Policy & Health Care Reform**

Steven J. Tringale is President and Chief Executive Officer of Tringale Health Strategies LLC (THS), a Boston-based consultancy that delivers strategic planning, network and contract development, product development, and hospital/physician alignment strategies to clients in the health care industry. Prior to the establishment of Tringale Health Strategies, Mr. Tringale was the managing director of Hinckley, Allen & Tringale LP, a health care consultancy affiliated with the law firm of Hinckley, Allen & Snyder LLP. Steven has also held a number of senior executive positions in large health care

companies, including the position of President, Senior Division of Blue Cross Blue Shield of Massachusetts; before this he served as Senior Vice President for External Affairs. Prior to his experience at Blue Cross, Mr. Tringale was Senior Vice President for Health Policy for the Life Insurance Association of Massachusetts (“LIAM”), an association of major commercial insurers. Mr. Tringale’s early experience includes positions at the Massachusetts Rate Setting Commission and the Joint Committee on Health Care in the Massachusetts Legislature. Steven is involved in a number of appointed and volunteer boards and commissions both in Massachusetts and nationally. He is currently treasurer of Boston Healthcare for the Homeless, a nationally recognized leader in providing health care to indigent and itinerant populations. Mr. Tringale served as chair of the Massachusetts State Health Coordinating Council for seven years, as chairman of the Mayor’s Commission on Access to Health Care for the City of Boston and three gubernatorial commissions formed to restructure the health care delivery and financing systems of Massachusetts. Mr. Tringale has served on an Institute of Medicine Board, examining the roles of academic medical centers in the changing health care environment. Mr. Tringale has presented to numerous groups, including hospital leadership teams, and has testified in front of many state legislatures and congressional committees.
